Eden Athletics Waiver

To be signed by each member in the household. Applicants under age 18 require a parent’s signature. I know that participating and volunteering to work in Eden Athletics events are potentially hazardous activities. And I know that I should not participate or volunteer in club activities unless I am medically able and properly trained. I agree to abide by any decision of an event/race official relative to my ability to complete an activity safely. I assume all risks associated with participating in or volunteering at Eden Athletics events including, but not limited to, falls, contact with other participants, the effects of the weather (including heat and humidity), and dangers posed by road conditions and traffic on the course, all such risks being known and appreciated by me. Having read this waiver and knowing these facts, I, for myself, and for anyone entitled to act on my behalf, waive and release Eden Athletics, the Road Runners Club of America, and all sponsors and their representatives and successors from all claims of liabilities of any kind arising from my participation in Eden Athletics activities, even though a liability may arise from negligence or carelessness on the part of persons named in this waiver.

2017 Points Series Rules

You must be a member of Eden Athletics to earn points in the race series.

You must complete six Series races to be eligible for an award. The age category of each runner is determined by their age at the first Series race they enter during the calendar year. Membership applications can be submitted within one week (7 days) of running a race in the series to have that race count towards point series totals.

The top ten runners in each age group receive points for each Series race they complete. (1st = 10 points, 2nd = 9 points, etc.). If you participate in a race but do not earn points (lower than 10th place in your age group) this race will count towards the minimum of 6 races needed to be eligible for an award.

Awards will be based on each runner's total points from their six best Series performances (or more in the event of a tie). Tiebreakers are determined by considering numbers of races in which each person in the tie has points (for example; if the top two are tied at 6 races but both runners ran 8 races the points will be calculated for the top 6, then top 7 if there is still a tie, then top 8 if there is still a tie, etc.). The Awards will be presented to the top three runners (male and female) in the following age groups: 10 and under, 11-19, 20-29, 30-39, 40-49, 50-59, 60-69, 70 and over.

Awards will also be presented to the male and female with the highest Age Group point totals in the Point Series. These two runners will not be eligible for an age group award.
